

EXCLUSIVELY FOR FLORIDA PROPERTY OWNERS

Instant homeowners insurance pricing.

Take control of shopping your insurance, from a first price check to your next renewal.

01

Start with your policy or address.

Upload a policy PDF and check the details Si, your AI assistant, reads. Buying a home? Start with its Florida address.

02

See instant carrier pricing.

Compare prices from participating insurers before creating an account. Each carrier decides whether it can price the home.

03

Ask a local agent for help.

Choose when to request review. Jenna at Greene Insurance checks eligibility, explains coverage and helps with the steps to buy.

04

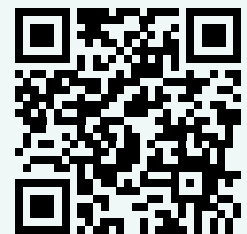

Keep your insurance together.

Sign in to save homes and price checks, store insurance documents and return when you are ready to shop again.

See how it works.

Scan the code or open the link for a short walkthrough. Then choose Check my prices to start shopping.

shopinsure.ai/how-it-works

For Florida homeowners (HO3) and rental-property (DP3) insurance. Carrier pricing needs home and applicant details. A price or review request does not start coverage.
